Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 2 March 2016, with regards to the South Liverpool CAB Advice on Prescription Service.

Request/**Response**

I refer to the article on the South Liverpool CAB Advice on Prescription Service receiving £2.5 million from the CCG for the next 5 years. Figures state 13,000 referrals over the last 2 years, we would like to know the breakdown in ethnicity with particular interest in the number of referrals of Chinese origin.

Response

We are unable to provide you with the information you have requested under section 1 (1)(a) of the Freedom of Information Act as we do not hold the information you have requested.

Can I suggest that you contact the South Liverpool CAB directly on:

App.admin@southliverpoolcab.org.uk

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision.

Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.

The ICO can be contacted at:

Should you require any further information, clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.
