Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 28 April 2016, with regards to Continuing Healthcare. Once again can we apologise for the delay in sending you your response.

Request/*Response*

Under the Freedom of Information Act, I would like to request the following information regarding continuing healthcare (CHC) funding and CCG funded packages of homecare for adults ages 18-65. The homecare packages that I am most interested in are those where the client is an adult with complex healthcare needs and is, generally, in receipt of CHC funding.

Please find attached the completed spreadsheet.

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.

The ICO can be contacted at:

Information Commissioners Office
Wycliffe House

Should you require any further information, clarification regarding this response or do not feel that your request has been answered as you would expect, please contact us to discuss.

Yours sincerely,
