We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.

The ICO can be contacted at:
