Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 1st February 2018, with regards to IAPT Contract.

Request/Response

- 1. We would like to ask on which date this contract will be advertised for re-tender, given that this expiry date is now 3 months way and we have no seen it advertised on the NHS SBS EU Supply portal.**

Response:

Liverpool CCG has agreed at a two year contract extension with Mersey Care NHS Trust to continue delivering IAPT services in Liverpool until 31st March 2020. Therefore, there are no immediate plans to put the service out to tender.

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.
