Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 3rd January 2019, with regards to mortuary fridges.

Request:

1. Between 2014-2018, how many new mortuary fridges of additional size/capacity have been installed in your hospitals to accommodate obese patients who have passed away?
2. Please breakdown the figures by year.

Response:

We are unable to provide you with the information you have requested under section 1 (1)(a) of the FOI Act. This is because Liverpool Clinical Commissioning Group does not hold the information you have requested and we do not have any mortuary fridges.

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.
