Dear,

**Re: Freedom of Information Request**

Thank you for your Freedom of Information request that we received on 13<sup>th</sup> April 2019, with regards to end of life care.

**Request:**

I would like to know what payments have been made to GPs by each of the CCGs in your area in relation to end-of-life care per year for every year between 2011-18.

Please provide details of any policy that authorises such payments and the precise nature of them, as well details of how the size of per-patient payments may have increased or decreased over the same eight-year period.

**Response:**

**NHS Liverpool CCG (and previously Liverpool PCT) do not provide financial payments to GP practices for End of Life care, over what is included in the GP core contract.**

**Below are the payments the CCG has made in the past to Valley Medical Centre & Mather Avenue on behalf of GP support for beds at Christopher Grange and Kingswood Manor although these have now ceased.**
