Proposed changes to prescriptions for over the counter medicines

The NHS in Liverpool is considering how to introduce national guidelines on prescriptions to treat some minor health conditions.

Before we make any changes, we want to know what you think.

We are asking for your views from now until 31 January 2020.

**We will use your
feedback to make
a decision about
what we do next.**

How do I share my views?

You can find out more and complete an online questionnaire at www.liverpoolccg.nhs.uk
