Dear

Re: Freedom of Information Request

Thank you for your Freedom of Information request that we received on 5 November 2019, with regards to Care Homes Enhanced Services

Request/Response

Please send me details of any care home enhanced services commissioned by the CCG, setting out the total amount spent in 2018/19 and total budgeted spend in 2019/20 and the amount per patient on all such services and including a copy of it.

During 2018/19 Liverpool CCG has not commissioned Enhanced Health in Care Homes just core Community Nursing provision. However Liverpool CCG has been working with Providers on establishing an Enhanced Health in Care Homes (EHCH) offer and has submitted a business case to try and secure investment for 2020/21 to roll out EHCH across the City.

During 2019/20 phase one has been established in 7 Care Homes and EHCH went live in November 2019, however this is being delivered within current resource and not as an additional commission.

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests.
