Dear

### **Re: Freedom of Information Request**

Thank you for your Freedom of Information request that we received on 12 December 2019, with regards to dental implants following dentoalveolar trauma.

#### Request

1. In your CCG, following dentoalveolar trauma, is there a minimum number of lost teeth required to satisfy receiving funding for replacement of lost teeth with dental implants?
2. If so, what is that number?
3. Does each individual patient have to undergo an Individual Funding Request?

#### Response

**NHS Liverpool CCG does not hold this information. You may wish to redirect your request to NHS England via the following link: [england.contactus@nhs.net](mailto:england.contactus@nhs.net)**

We wish to take this opportunity to inform you that a formal complaints and internal review procedure is available to applicants who are unhappy with responses provided to FOI requests. You can formally request an internal review within a reasonable period of time (2 calendar months) from the date this response was issued.

Where you are not satisfied with the decision of the internal review you may apply directly to the Information Commissioners Office (ICO) for a further review of that decision. Generally, the ICO cannot make a decision unless you have exhausted our complaints procedure in the first instance.
